

Fiddle Rental Waivers

Members in good standing who are experiencing financial hardships may have fiddle rental fees waived, either fully or partially. To be eligible, the Member, their parent(s) or guardian(s), or representative thereof, must request the waiver.

Grants are made solely for the waiving of monthly rental fees. All other criteria, including any required deposit fees, must be fulfilled per the standard rental agreement. Waivers do not guarantee the availability of a rental fiddle.

AFS provides programs, including its fiddle rental program, at discounted or subsidized rates and, as such, is under no obligation to provide further subsidies, grants or fee waivers for any reason.
